New Management

As of August 1, 2011 Monaghan Golf Inc. became the operator of the golf shops at Gleneagles Golf Course and Ambleside Par 3 in West Vancouver. Day to day operations at the two golf courses will be managed by PGA of Canada Head Golf Professional James Presnail of Monaghan Golf Inc. James will oversee both golf operations and will be offering both junior and adult lesson programs at Gleneagles.

“We are very pleased to be working with the District of West Vancouver and enhancing the services and experiences both golf courses provide to all players. James will do an excellent job managing the operation and we both look forward to meeting all of the regular and new players that the golf courses host annually,” said Tom Monaghan owner of Monaghan Golf Inc.
